

# Hunter College

## Introduction to Applied Statistics

### Course Information

#### **Class Information**

Meeting days/times: Monday & Wednesday / 5:35 - 6:50 pm

Location: 415 Hunter West

#### **Instructor**

Jiangtao Gou, Office 928 Hunter East

Office hours: Monday 2:30 - 3:30 pm & Wednesday 3:00 - 4:00 pm

E-mail: [jiangtao.gou@hunter.cuny.edu](mailto:jiangtao.gou@hunter.cuny.edu)

#### **Learning Outcomes**

This course emphasizes statistical literacy and develops statistical thinking. Statistical literacy is promoted throughout the text in the many examples and exercises, drawn from published research findings and the popular press. Many of the examples and exercises discussed will highlight the central role of probability and statistics in 21st century science. Students should understand how to adequately interpret and communicate statistical results. Understanding the nature and role of variability is key to developing sound skills in statistical thinking.

Students will be able to describe statistical procedures, explain how to use statistical methods and their limitation, prepare a survey or a data collection plan, diagram and analyze data, persuade and conclude statistically.

#### **Textbook**

Introduction to Statistics and Data Analysis, 5th Edition, by Roxy Peck, Chris Olsen, and Jay L. Devore, Cengage Learning (Looseleaf with WebAssign)

#### **Class key for WebAssign**

Self-enrollment: hunter 2467 0013

#### **Homework**

Homework will be assigned on a regular basis. We will use WebAssign, an online homework system. Students are expected to turn in assignments on time. The first homework will be assigned on Wednesday, September 9, 2015.

#### **Exams**

No graded quiz in class.

Midterm 1: Wednesday, October 14 (Midterm 1 Review: October 7)

Midterm 2: Monday, November 30 (Midterm 2 Review: November 25)

Final Exam: Wednesday, December 23, 5:20 - 7:20 pm (Final Exam Schedule Fall 2015, Office of the Registrar)

Midterm exams and final exam are open notes. For midterm and final exams, I recommend that you prepare sheets of formula ahead so you are able to review all materials.

Students may need to have access to a calculator for use on homework and exams.

### **Grading**

Homework: 20%

Midterm 1: 20%, Midterm 2: 20%

Final: 40%

If you are absent more than 3 times, you will lose 0.5% from your final grade for each additional absence.

### **Software**

Students may consult with me about any statistical software (e.g. Excel, SPSS, Stata, JMP, R, MATLAB) if they need to use them in their homework.

### **Dolciani Mathematics Learning Center Resources**

The Dolciani Lab is located in rooms 300-305 Hunter North. The lab provides multimedia materials (videotape & CDs), as well as free tutoring, specifically for STAT 213 students.

Website: <http://www.hunter.cuny.edu/dolciani>.

### **Credit/No Credit**

You need to submit the CR/NC form to me before the final exam if you decide to get a CR/NC grade for this course. Please check with the Office of the Registrar for more details.

### **Other Notes**

College's policy on academic integrity: "Hunter College regards acts of academic dishonesty (e.g., plagiarism, cheating on examinations, obtaining unfair advantage, and falsification of records and official documents) as serious offenses against the values of intellectual honesty. The College is committed to enforcing the CUNY Policy on Academic Integrity and will pursue cases of academic dishonesty according to the Hunter College Academic Integrity Procedures."

College's statement on students with disabilities: "In compliance with the American Disability Act of 1990 (ADA) and with Section 504 of the Rehabilitation Act of 1973, Hunter College is committed to ensuring educational parity and accommodations for all students with documented disabilities and/or medical conditions. It is recommended that all students with documented disabilities (Emotional, Medical, Physical and/or Learning) consult the Office of AccessABILITY located in Room E1124 to secure necessary academic accommodations. For further information and assistance please call (212-772-4857)/TTY (212-650-3230)."

*Please Note: The instructor reserves the right to evaluate special requests or circumstances. The instructor may make modifications to the syllabus and/or outline during the course. Students will be notified of any changes.*
